3. Entry system and criteria

A. UCI Junior Series – XCO

- Entry is open to any UCI Junior license holder
- Having obtained at least 20 UCI points in the latest UCI XCO individual junior ranking
- The national federations may enter a maximum of 5 supplementary riders per category (outfit for these riders is at the discretion of the national federation)
- **Except Europe, the national federations, of the same continent where the event takes place, may enter a maximum of 5 supplementary riders per category (outfit for these riders is at the discretion of the national federation)**
- The national federation of the organizing country, after consultation with the event organiser and considering the suitability of the course, may register supplementary riders from that country **for team B**. The maximum number of these additional riders, the selection criteria used to select them, and the uniform they race in is at the discretion of the national federation but must be clearly defined on the event website.
- Riders belonging to a UCI elite MTB team or a UCI MTB team

B. UCI junior events – XCO

- Entry is open to any UCI Junior license holder
- If a host National Federation requires a limit on field size they may place a restriction on the number of home nation riders, but in this case no restrictions can be placed on the number of international riders competing.
- **No other restriction on participation**

4. Registration fees

- Entry should be made directly with each race organiser under the terms that apply to that event
- Registration fees are as set by each race organiser
- Organisers contact details can be found on the UCI website under Calendar and the related event – see link below: <http://www.uci.ch/mountain-bike/calendar/>

5. Start Order

➤ The start order is determined as follows:

- 1 As per the most recently published UCI XCO juniors individual ranking of the current season (or the final ranking of the previous season if no ranking has yet been published for the current season).
- 2 Unclassified riders by rotation:

The start order of the riders within the team must be confirmed by the teams during the rider's confirmation. The start order among the teams is determined as follows:

- First, national teams whose order is determined by the nations' classification of the concerned category from the most recent world championships.
- Second, unclassified national teams whose order is determined by drawing lots.
- Third, UCI Elite Mountain Bike teams whose order is determined by the most recent team ranking.
- Last, UCI Mountain Bike teams whose order is determined by the most recent team ranking.

The teams (in the order as mentioned above) are taken in turn with the teams' first riders starting in sequence, then the teams' second riders etc.

6. UCI XCO Junior Ranking dates

The ranking date is available on the UCI website.

7. Overall Classification

There is no overall classification specifically for the UCI Junior Series - XCO. However, on each continent, the Confederation may choose to coordinate and publish an overall classification for that continent as well as a leader jersey and prize money for the final of the series.
