  - 2 Unclassified riders by rotation:

The start order of the riders within the team must be confirmed by the teams during the rider's confirmation. The start order among the teams is determined as follows:

    - First, national teams whose order is determined by the nations' classification of the concerned category from the most recent world championships.
    - Second, unclassified national teams whose order is determined by drawing lots.
    - Third, UCI Elite Mountain Bike teams whose order is determined by the most recent team ranking.
