The category women elite shall comprise riders of 23 years and above.

Except in the UCI world championships, continental championships and, at the discretion of national federations, national championships, women under 23 and women elite shall ride in the same race.

If women under 23 and women elite compete in the same race, meaning same start time and same race distance:

Chapter V UCI CYCLO-CROSS TEAMS

(chapter introduced on 28.01.17)

§ 1 Identity

5.5.001 A UCI cyclo-cross team is an entity consisting of a minimum of 3 riders, each of whom must be of the age of 19 years and older as defined in article 5.1.001. A UCI cyclo-cross team includes men and women riders, and a minimum of one woman.

A rider who is already member of another discipline's UCI registered team, may be registered in a UCI cyclo-cross team, only if a signed three-party agreement (rider, UCI cyclo-cross team and the other UCI team) is provided during the registration process.

The members of a UCI cyclo-cross team are employed and/or sponsored by the same entity, for the purpose of taking part in cyclo-cross events on the UCI international cyclo-cross calendar.

5.5.002 A UCI cyclo-cross team comprises all the riders employed by the same paying agent, the paying agent itself, the sponsors and all the other persons contracted by the paying agent and/or the sponsors for the functioning of the team (team manager, coach, assistant, mechanic, etc.). It must be designated by a specific name and be registered with the UCI as provided in these regulations.

5.5.003 The sponsors are individuals or incorporated bodies who contribute to the funding of the UCI cyclo-cross team. Among the sponsors, a maximum of two are designated as the principal partners of the UCI cyclo-cross team. If neither of the two principal partners is the paying agent for the team, this paying agent may only be an individual or incorporated body whose sole trading income comes from advertising.

5.5.004 The principal partner(s) and the paying agent commit themselves to the UCI cyclo-cross team for a number of entire seasons.

5.5.005 The name of the UCI cyclo-cross team must be that of the company or brand name of the principal partner or that of one of both of the two principal partners.

5.5.006 No two UCI cyclo-cross teams, their principal partners or paying agents, may bear the same name. Should application for a new and identical name be simultaneously made by two or more teams, priority is given to the team which has used the name for the longer or longest time. Otherwise, the team that first submitted its application to the UCI shall receive priority for the name.

5.5.007 The nationality of the UCI cyclo-cross team must be that of the country where the head office or the domicile of the paying agent is located. In its request to the UCI for registration, the UCI cyclo-cross team must include a letter of approval from the national federation of the country of which it has the nationality. Such a letter recognises the UCI cyclo-cross team as being of that federation's nationality and support its registration with the UCI under the terms of these regulations.

§ 2 Legal and Financial Status

5.5.008 The paying agent of the riders in a UCI cyclo-cross team must be a physical person or incorporated body legally entitled to employ personnel.

§ 3 Registration

5.5.009 Each year UCI cyclo-cross teams must register with the Union Cycliste Internationale for the subsequent cyclo-cross season. That registration is valid for the period between the 15th August and the 1st March of the next year.

5.5.010 UCI cyclo-cross teams must register their riders at the same time.

5.5.011 UCI cyclo-cross teams must submit their application for registration no later than 31st July of the year in question. No application first received by the UCI after 31st July is considered.

- e. a copy of the riders' contracts in accordance with article 5.5.018 must be included.

5.5.012 Article 5.5.011 also applies to any changes to the riders and other staff for UCI cyclo-cross teams.

Such changes must be immediately submitted by the UCI cyclo-cross teams to the UCI. During the season as defined per article 5.5.009, no rider already registered with a UCI cyclo-cross team may join another UCI cyclo-cross team.

5.5.013 Only UCI cyclo-cross teams on the list approved by the UCI may receive benefits such as those listed in article 5.5.017.

5.5.014 By their annual registration, UCI cyclo-cross teams and inter alia their paying agents and sponsors undertake to respect the Constitution and Regulations of the UCI and their respective national federation and to participate in cycling events in a fair and sporting manner. The paying agent and principal partners are held jointly and severally liable for all the financial commitments of the UCI cyclo-cross team to the UCI and the national federations, including any fines.

5.5.015 The registration of the UCI cyclo-cross team with the UCI involves a registration fee that the team must pay by 31st July before the coming season. The amount is set annually by the UCI management committee.

5.5.016 When submitting its registration, each UCI cyclo-cross team must submit a colour graphic design of its team jersey, complete with sponsor logos. This design can be changed once per season, after the authorization of UCI and only between the 1st and the 10th January. The UCI shall be informed before the 15th December.

All riders within one UCI cyclo-cross team are obliged to wear clothing that has identical major sponsor placement, identical color scheme, layout and identical overall look.

§ 4 Contract of employment

- 5.5.018** A rider's membership of a UCI cyclo-cross team requires a written contract of employment to be concluded which must contain as a minimum the provisions of the standard contract in article 5.5.024.

The contract must also make provision for the payment of indemnities to the rider in the event of sickness and/or accident.

- 5.5.019** Any clause agreed between the rider and the paying agent that impinges on the rights of riders as provided for in the standard contract or the joint agreements is null and void.
- 5.5.020** Any contract between a team and a rider must be drawn up in at least three copies. One original copy must be forwarded to the UCI with exact financial amounts for salary and bonus payments. The confidentiality of these data is ensured.
- 5.5.021** On the expiry of the term of the contract, the rider is free to enter the service of another paying agent. No system of transfer fees is permitted.

Before the expiry date of the contract, transfers of riders are only permitted if a global agreement in writing is reached between the three parties concerned: the rider, his current paying agent and the new paying agent, and with the authorisation of the UCI.

§ 5 Dissolution of a team

- 5.5.022** A team must announce its dissolution or the cessation of its activity or its inability to respect its obligations, at the earliest opportunity. Once this announcement has been made, riders are fully entitled to contract with another team for the following season or for the period starting at the moment announced for the dissolution, the end of activities or the inability to perform.
