Chapter II RACES

Section 5: UCI cups, series and classification

1.2.133 Is omitted from any UCI classification as well as from any UCI cups and series classifications:

1. the suspended rider. However, in case of suspension until the last event counting for the ranking, the rider is immediately excluded from the classification.
2. the rider who may have committed an anti-doping rule violation and whose identity has been publicly disclosed under article 14.4 of the UCI Anti-doping Rules - until his definitive acquittal.

~~The UCI Anti-doping Commission may decide to omit from any UCI classification as well as from any UCI cups and series classifications, any rider who may have committed an anti-doping rule violation and whose identity has been publicly disclosed by another Anti-doping Organization or a public authority.~~

The omission means that the name of the rider does not appear in the classifications and that his place is left vacant.

Chapter III EQUIPMENT

UCI cups, series and classifications

1.3.055 bis

1. The designs of the leader's jerseys for UCI cups, series and classifications are determined by the UCI and are their exclusive property. They may not be reproduced without UCI authorisation.

They may not be altered, except as regards the advertising space reserved for the wearer's team.

2. Advertising on the leader's jerseys of UCI cups, series and classifications is reserved for the UCI.

However, on the upper front and back of the jersey, in a rectangle 32 cm high and 30 cm wide, the lower 22 cm shall be reserved for use by the teams on a white background. The principal partner(s) of a team shall stand out there from all other advertisements.

This provision shall also apply to the skinsuit worn by the leader; the lower part (shorts) of the skinsuit shall be reserved for team advertising within a 9 cm wide horizontal band on each leg.

3. The wearer of the leader's jersey shall be entitled to match the colour of his shorts to that of the jersey.

4. In time trial stages, leaders may wear the aerodynamic jersey or skinsuit of their teams if the UCI does not provide an aerodynamic leader's jersey or skinsuit.

~~5. Wearing the leader's jersey or corresponding piping is prohibited as soon as the antidoping commission, after the review described in article 7.2 of the anti-doping rules, asserts that the rider committed an anti-doping violation and until his definitive acquittal.~~

1.3.065

~~Wearing the world champion's jersey or the rainbow piping is prohibited as soon as the anti-doping commissions, after the review described in article 204 of the anti-doping rules, asserts that the rider committed an anti-doping violation and until his definitive acquittal.~~

~~*(text modified on 1.01.05; 1.09.05); [article abrogated on 1.07.17]*~~

1.3.068

National road, track, cyclo-cross, mountain bike, BMX, trials and indoor cycling champions must wear their jersey in all events in the discipline, speciality and category in which they won their title and no other event.

The national champion in the individual time trial is not authorised to wear the distinctive national champion's jersey during team time trial events.

In a six-day event, only madison national champions must wear the jersey even if they are not paired together.

(N) When he no longer holds the title of national champion, a rider can wear piping in national colours on the collar and cuffs of his jersey and shorts as per the technical specifications determined by the national federation. However, he can wear such a jersey only in events of the discipline, speciality and category in which he won the title and in no other event.

~~Wearing the national champion's jersey or piping in national colours is prohibited as soon as the anti-doping commission, after review described in article 204 of the anti-doping rules, asserts that the rider committed an anti-doping violation and until his definitive acquittal.~~

The national champion jersey must be worn whenever a rider is engaged in activities on the track, awards ceremonies, press conferences, television interviews, autograph sessions and other occasions which require a good presentation.

§ 8 Continental champion's jersey

1.3.070 If a jersey is awarded at a continental championship, the rider may wear it in all races in the discipline, speciality and category in which he won the title and for as long as he continues to hold the title.

Continental confederations may impose the mandatory wearing of their continental champion's jersey in the discipline, specialty and category of their choosing.

The authorised advertising spaces shall be identical to those on the world champion's jersey.

Before production, the continental champion jersey design (colours, flag, drawing) reproduced by the titled rider must be approved by the concerned continental confederation and must respect the latter's dispositions.

~~Wearing the continental champion's jersey is prohibited as soon as the anti-doping commission, after review described in article 204 of the anti-doping rules, asserts that the rider committed an anti-doping violation and until his definitive acquittal.~~
