

PART 1 GENERAL ORGANISATION OF CYCLING AS A SPORT

Rules Amendments applying on **01.01.2018**

Update on 01.01.2018

1.2.065 bis Without prejudice to stricter requirements according to the national legislation, the use of drones is prohibited above the course and within 10 meters from the course.

Moreover, the user must ensure the drone at no time puts the security of riders, followers and spectators at risk.
