#### 16.8.015

If more than 24 athletes enter in either the C 1-2-3 race or the C 4-5 race, qualifying heats will take place with each heat composed only of riders from the same Sport Class.

If there are less than 5 athletes in a given Sport Class, this Sport Class will be combined with the next Sport Class up (ex: C1 combined with C2). If a Sport Class is combined with a higher Sport Class, a minimum of one athlete of this Sport Class shall be guaranteed to advance to the finals.

If there are less than 10 athletes from a given Sport Class in the final, individual ranking points shall be granted to the top 10 athletes from each Sport Class, including riders who did not participate in the final.
