If the outgoing world champion cannot participate at the world championships, this place is not accumulated in the quota of the nation.

One (1) additional slot for individual time trial, pursuit and 500m / 1000m will be awarded to nations which have reached the maximum number of participants and wishing to enter an athlete under 16 years of age.

9.2.069 On the basis of the Individual UCI para-cycling ranking by sport class for the period defined in article 9.2.067, are taken into account the points from the world championship (results from the Paralympic Games would be taken into account on a paralympic year), points from the world cup (two best results from two events held in different regions), and the best result obtained in a C1 competition. This principle described below applies both for men and women **for time trial, individual pursuit and sprint events:**
